

2020 ILLABUNDA

Racing and Training Program.

To assist with your bookings for this year please refer to schedule of events.

2019 was a good year for junior and senior race teams. The junior team finished third. The senior team finished first. We competed at a very high standard in a very close competition. Congratulations to all racers.

As well as being a constitutional requirement, the training program also proves to be a strong base to the racing commitment of our club.

Juniors

The Junior race training program has been developed over the years to improve the technique of members and their children racing for the club. It is not free ski school for all children. The aspiring participants, most of whom have done their time in ski school, have to be capable of skiing all over the mountain un-aided to a pre determined standard. They will be placed in one of two groups by Perisher Blue Race coaches. The coaches must tutor to the lowest ability of the group so it is important to group the kids of similar ability. Michelle Morgan will be managing all junior racing fixtures for 2018.

Please contact Michelle or Terry Dryburgh for further information. Whilst the training budget is limited, all levels of skiers are encouraged to race for the club and enjoy the team spirit we share at Illabunda.

Due to bed limitations, it is preferred that parents accompanying juniors be limited to one per family or we may have to utilise other lodges near-by, if available.

It is very important to let Michelle (Juniors) or Terry (Seniors) know asap once bookings have commenced of the intentions of racers for the season. This will enable us to determine numbers for bed allocations etc. on the training and racing dates.

The Club supports junior racing by the following:-

- 4 day x 3hr (am) Downhill training by Race Instructors (Carve technique)
- 2 day x 3hr (am) Snow board training by Race Instructors
- 5 day x 2 hr (pm) Cross Country training (depending on weather and coaches)
- All race entry fees paid for.

NOTE: All equipment is to be organised prior to training and races. It is encouraged to participate in at least 2 disciplines.

HELMETS ARE COMPULSORY for Downhill and Snowboard for training and racing. Perisher will enforce this rule.

Each participant and officials are required to complete waivers for Perisher and Illabunda.

Seniors

The Club supports senior racing by the following:-

- 1 day x 2hr Downhill training by Race Instructors (Carve technique)
- Snow board training by Instructors (as required)
- Cross Country training (depending on weather and coaches)
- All race entry fees paid for.

HELMETS ARE COMPULSORY for Downhill and Snowboard for training and racing. Perisher will enforce this rule.

Each participant and officials are required to complete Waivers for Perisher and Illabunda.
