WHAT'S NEW

This summer we had some renovations done in the dining room, the windows were replaced with double glazed windows and painting the outside walls. Thanks to all of those who have helped. Everyone seemed to have had a great time. As you may be aware the lodge has a new colour scheme. Gone is the old brown, in with Illabunda Blue, Burgundy and Cream. Seems the majority of people who have seen the new colour scheme have commented on how nice it looks.

WANTED YOUR PHOTOS

If you have some photos of the old lodge, working bees on the new lodge and most importantly photos of members skiing, ski races, club parties etc. we are trying to get a history of the club to celebrate 50 years of PKSC. Please send photos to editor. Thanks

MEMBERSHIP & BOOKINGS

There are still some membership fees over due. Some people feel as though they don't have to

contribute their fees, until they want to stay at the lodge. If this practice continues we might have to look at other ways to collect these monies on time. The current rule is. If fees are not paid by due date, bookings for the lodge will not be accepted until fees are paid.

CLUB TEE SHIRTS

There are some long sleeved club tee shirts available. Where can you get them? At the lodge so you can get the right size. Stocks are limited so get in quick. See lodge captain or managers.

END OF SEASON PARTY

A few of the combined clubs of the Illawarra are planning an end of season dinner party. Will let you know when we find out more.
